Syntony Focus

We recruit professionals in the following disciplines.

Why Choose Syntony?

A Competitive Edge For Our Clients

- Our specific industry focus has generated an extensive database of qualified candidates and an in depth network of relevant contacts.
- Industry expertise facilitates accuracy in our assessment of candidate skills and capabilities and relevance to your organisation.
- Our commitment to proactive recruitment activity, results in targeted exercises to directly promote your organisation's career opportunities.
- Dedicated Search and Selection assignments deliver a breadth of motivated candidates, within agreed timescales and budgets
- Our consultants are experienced in the IT, Telecommunications and Call Centre industries with backgrounds in Sales & Marketing, Human Resources and Training.

This means that we can supply the right candidates for you whilst providing a fast, reliable and friendly service.
